CODE 0438T V5

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
Do Not Eat Freshness Packet. Keep in Bottle.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

B-100 Caps provide a full complement of B-Vitamins plus Choline and Inositol. Together, these vitamins work to support energy production, maintain healthy serum levels of homocysteine and promote a healthy nervous system. B-Vitamins are water soluble and with the exception of B-12, they are not stored in the body. They thus require daily replenishment. While B-12 is stored in the liver, dietary sources are of animal origin only (meat and dairy). Therefore, supplementation with B-12 may be especially important for vegetarians.*

SUGGESTED USAGE: As a dietary supplement, take 1 capsule daily with a meal. Consider taking these other NOW® products: Relora®, Super Cortisol Support and Tru-C BioComplex™.

NERVOUS SYSTEM HEALTH

- B-Complex for Maximum Effectiveness
- Supports Energy Production*
