CODE 2921 

for *S. salivarius*.*

NOW® OralBiotic™ contains the naturally occurring probiotic organism *Streptococcus salivarius* BLIS K12®, which has been clinically shown to support oral and throat health. Although it is not an antibiotic, OralBiotic™ BLIS K12® successfully colonizes the oral cavity at the expense of other bacteria, promoting oral health. It also helps to improve breath when used in conjunction with proper oral hygiene. Fructooligosaccharides (FOS) provide nutritional support

for *S. salivarius*.*

Refrigerate after opening to maintain high potency.

SUGGESTED USAGE: As a dietary supplement, take 1

lozenge 1 to 4 times daily. Allow lozenge to dissolve

slowly and completely in mouth and swallow. Consider

taking this product in combination with NOW® Probiotic-

10™, Olive Leaf Extract and Xylitol™ Mouthwash.

OralBiotic™
