**SUGGESTED USAGE:** As a dietary supplement, take 1 tablet with or between meals. Consider taking these other NOW® products: Pancreatin and D-Flame™.

Bromelain is a proteolytic enzyme derived from the stem of the pineapple plant. It has long been used to support proper digestion and it is a powerful tool for the maintenance of an appropriate inflammatory response. Bromelain is designed by nature to support healthy gastrointestinal function, as well as to promote normal tissue healing.\*
