Maca (*Lepidium meyenii*) is grown at high elevations in the Andes region of central Peru. It has been used for centuries by indigenous Peruvians as a food source, as well as for increasing stamina and energy. More recent scientific studies have demonstrated that Maca supports hormonal balance and both male and female reproductive health.*

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® 1 to 2 times daily. Consider taking this product in combination with NOW® Testodjack 100™, Tribulus and ENERGY.
