Store between 59°-86° F. Keep out of the reach of children.

Dunaliella salina is a unique species of algae that is a rich natural source of natural beta carotene and other carotenoids.

Due to natural color variations in ingredients, we have added natural carob and annatto color to our softgel for color consistency.

WARNING: If you are pregnant or nursing, taking medication or planning a surgery, consult your doctor before using this product. If any adverse reactions occur, stop taking the product and consult your doctor. **NO:** Yeast, wheat, gluten, milk, salt, sugar, or preservatives.
