

CODE 4855 [V3]

Notice: Do not use this product if you have abdominal pain or diarrhea. Consult a health care provider prior to use if you are pregnant or nursing a baby. Discontinue use in the event of diarrhea or watery stools. Do not exceed recommended dose. Not for long-term use.

SUGGESTED USAGE: SHAKE WELL. As a dietary supplement, take one tablespoon of Ojibwa Tea Concentrate, added to hot or cold pure water, two times daily, preferably on an empty stomach. Consider taking this product in combination with NOW® AHCC® and Super Antioxidants.

NOW® liquid herbal extracts are among the highest quality available. We search the world for the finest sources of fresh and potent herbs. NOW also produces a wide selection of herbal extracts, herbal teas, herbal capsules and a full vitamin line.

Ojibwa Tea

HERBAL CONCENTRATE

Liquid

Net 16 fl. oz. (473 mL)

A Dietary Supplement Vegetarian Formula

Ojibwa Tea Concentrate is formulated in specific proportions according to a well-known traditional Ojibwa Indian formula. We have increased the concentration of the herbs by weight to create a concentrate equivalent to six times the comparable tea strength.
