Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition (e.g. liver problems, stomach ulcers or diabetes). Keep out of reach of children.

Niacin often causes itching or flushing but this sustained release tablet minimizes those problems.

SUGGESTED USAGE: As a dietary supplement, take 1 tablet daily with a meal. This high potency tablet should be taken under doctor's supervision. Consider taking these other NOW® products: B-50 Complex, D-Ribose and Sytrinol®.
