Store in a cool, dry place. Please Recycle.

Caution: Not to be used by pregnant/lactating women or those with liver problems, stomach ulcers or diabetes unless recommended by your healthcare practitioner.

to avoid such reactions.

Niacin (Vitamin B-3) is an essential B-vitamin necessary

for good health. Many Niacin supplements cause a tem-

porary Niacin flush or tingling red rash on the skin when

taken in large doses. This flush-free Niacin is formulated

to avoid such reactions.

Sytrinol®.

SUGGESTED USAGE: As a dietary supplement, take 1

Vcap® daily as needed, with a meal; or take as directed by

your health practitioner. Consider taking this product in

combination with NOW® B-50 Complex, D-Ribose and

Sytrinol®.

Manufactured by NOW FOODS, 395 S. Glen Ellyn Rd.
Bloomington, IL 60108 Made in the U.S.A. www.nowfoods.com

Inositol Hexanicotinate is a stable, non-flushing source of Niacin. This superior source of Niacin works to reduce the common "niacin-flush" problems associated with high doses of Niacin supplements.

Contains no sugar, salt, yeast, wheat, gluten, soy, milk, egg, shellfish or preservatives.

Vegetarian/Vegan Product.
