Servings Per Container 30

| Amount Per Serving                                                                                                                                    | % Daily Value  |
|-------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Vitamin C (as potassium ascorbate, calcium ascorbate, magnesium ascorbate, zinc ascorbate, manganese ascorbate, copper ascorbate, chromium ascorbate) | 50 mg 85%      |
| Thiamin (Vitamin B1) (as thiamine crocodylase)                                                                                                        | 5 mg 333%      |
| Riboflavin (Vitamin B2) (as riboflavin-5-phosphate)                                                                                                   | 5 mg 294%      |
| Niacin (as inositol hexaniacinate, Nicotinamide Adenine Dinucleotide)                                                                                 | 0.07 mg 5%     |
| Vitamin B6 (as Pyridoxine Hydrochloride hydrochloride, 50 mg pyridoxine hydrochloride, pyridoxal-5-phosphate)                                         | 2,500%         |
| Folic Acid                                                                                                                                            | 500 mcg 125%   |
| Vitamin B12 (as methylcobalamin)                                                                                                                      | 500 mcg 8,333% |
| Biotin (as d-biotin)                                                                                                                                  | 50 mcg 17%     |
| Parafortenic Acid (as d-calcium pantothenate, pantothenic)                                                                                            | 500 mg 5,000%  |
| Sensoril® Ashwagandha Extract (root/leaf) (5% withanolide 125 mg glycosides equal to 10 mg) (32% oligosaccharides equal to 40 mg)                     | *              |
| Ginger Extract 5:1 (rhizome) (5% gingerols equal to 2.5 mg) 50 mg                                                                                     | *              |
| L-lysine (free form)                                                                                                                                  | 50 mg          |
| Wild Yujube Extract (seed) (2% polyphenols equal to 1 mg) 50 mg                                                                                       | *              |
| Eleuthero Extract (Eleutherococcus senticosus) (root) 20 mg (Siberian ginseng) (providing 0.6% eleutherosides equal to 0.16 mg)                       | *              |
| Passion Flower Extract (3.5% vitexin equal to 0.70 mg) 20 mg                                                                                          | *              |
| 5-HTP (5-hydroxytryptophan) (Griffonia simplicifolia) (seed) 5 mg                                                                                     | *              |
| Inositol Hexaniacinate                                                                                                                                | 2.5 mg         |
| NAC (N-Acetylcysteine Adenine Dinucleotide)                                                                                                           | 2 mg           |

\* Daily Value not established.

Other Ingredients: Cellulose, cellulose (capsule shell), stearic acid, magnesium stearate, silica, maltodextrin. **WARNING:** Not to be used during pregnancy. May potentiate the effects of barbiturates. If you are nursing, have gallstones, taking medication or planning a surgery, consult your doctor before using this product. If any adverse reactions occur, stop taking the product and consult your doctor. NO: Yeast, wheat, soy, gluten, milk, sugar, or artificial color.
