*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

This tablet is also useful as a mint breath freshener.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Digestive enzymes are essential to the body's absorption and full use of food. The capacity of the body to make enzymes diminishes with age, and therefore the efficiency of digestion declines. NOW® Papaya Enzyme Lozenges have a refreshing taste and support digestion when taken after meals. Our tablets are made from whole, unripe, spray-dried Papaya powder, and contain 40 mg of Papaya per Lozenge. In addition, Pepsinase, Lipase and Cellulase have been included for a full spectrum of enzymatic activity.*

SUGGESTED USAGE: As a dietary supplement, chew or dissolve 2 lozenges in mouth following meals or as needed. Consider taking these other NOW® products: Optimal Digestive System and DGL.

- With Mint and Chlorophyll
- Supports Protein Digestion*
