

Nutritional Support for Free Radical Defense.*
Each Herbal Actives extended-release formula provides rapid and sustained results. Supplying the greatest concentration of active botanical principles, Herbal Actives Noni maximizes the synergistic benefits of the whole fruit, which naturally contains myristic acid, ursolic acid, rutin, and limonene.

Guaranteed Maximum Potency: Each Herbal Actives formula is scientifically standardized to the highest level of active principles.

HerbaShield: An exclusive purity and safety system providing light-resistant bottle, airtight inner seal, moisture-absorbing packet, tamper-evident safety cap and tamper-proof full bottle seal.

Directions: As a dietary supplement offering the consistent benefits of exact potency, one tablet daily or as recommended by your health care professional.

Note: If you are pregnant or nursing, consult your health care professional before using any herbal product.
