

CODE 5966

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Warning: Take this product as recommended. Without drinking enough liquid the product may swell in the throat, causing blockage or choking. Avoid use if you ever had esophageal narrowing or swallowing difficulties.

Psyllium is a true dietary fiber, even though it is classified by some as a laxative or mucilaginous fiber, and is a convenient way to increase intake of dietary fiber because of its high mucilage content. This bulking agent swells considerably when added to liquid, which can help to support healthy gastrointestinal transit time. This bulking action and healthy transit time can play an important role in maintaining healthy gastrointestinal function.*

SUGGESTED USAGE: As a dietary supplement, vigorously mix 1 level tablespoon daily into at least 12 oz. of water or juice and consume immediately. Be sure to drink plenty of additional fluids throughout the day. Start with smaller amounts and gradually increase over several weeks. Consider taking this product in combination with NOW® Gr8-Dophilus™, Triphala and Detox Support™.

100% Certified Organic Psyllium Husk Powder

INTESTINAL HEALTH

- Excellent Source of Soluble Fiber
- Helps Maintain Regularity*

Net Wt. 12 oz. (340 g)
