

Nutritional Support for
Feelings of Well-Being.*

Each Herbal Actives extended-release formula provides rapid and sustained results. Supplying the greatest concentration of active botanical principles, Herbal Actives St. John's Wort maximizes the synergistic benefits of the whole flower, which naturally contains flavonoids, tannins, xanthrones, monoterpenes and phytosterols.

Guaranteed Maximum Potency: Each Herbal Actives formula is scientifically standardized to the highest level of active principles.

HerbaShield: An exclusive purity and safety system providing light-resistant bottle, airtight inner seal, moisture-absorbing packet, tamper-evident safety cap and tamper-proof full bottle seal.

Directions: As a dietary supplement offering the consistent benefits of exact potency, one tablet twice daily, preferably in the morning and evening or as recommended by your health care professional.

Note: If you are pregnant or nursing, consult your health care professional before using any herbal product.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

THIS IS NOT A PRESCRIPTION PRODUCT. It is a dietary supplement made with the highest possible quality standards.

Printed HerbaShield inner seal and full bottle seal.

Do not use if either seal is missing or broken.
