Do Not Eat Freshness Packet. Keep in Bottle.

Store in a cool, dry place. Please Recycle.

Manufactured by NOW FOODS, BLOOMINGDALE, IL 60108
Made in the U.S.A. www.nowfoods.com

SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® 2 times daily, preferably on an empty stomach.

AHCC® (Active Hexose Correlated Compound) is a proprietary extract produced from specially cultivated and hybridized mushrooms. According to extensive research in humans, as well as numerous non-clinical studies, AHCC® supports immune system function through its effects on macrophages and NK (Natural Killer) Cells. NK cells and the intercellular mediators they produce are critical for the maintenance of healthy cell cycle function. AHCC® has also been shown to possess antioxidant properties, and supports healthy liver function.*
