*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

as for the health of the digestive tract.*

Natural Lycopene is a powerful antioxidant carotenoid and the pigment that gives tomatoes, watermelon, and pink grapefruit their characteristic red color. Clinical studies have indicated that natural Lycopene works through a number of mechanisms to support cardiovascular health and immune function. In addition, epidemiological studies have determined that natural Lycopene may be particularly important for the support of prostate health, as well

as for the health of the digestive tract.*

SUGGESTED USAGE: As a dietary supplement, take one softgel daily, preferably with meals. Consider taking this product in combination with NOW® Saw Palmetto, Broccoli™ and Soy Isoflavones.
