healthy range blood flow and healthy range blood pressure.*

Emerging evidence indicates that the role of Grape Seed Extract (GSE) in support of cardiovascular health may extend beyond its important antioxidant functions. Scientific studies have shown that the proprietary GSE found in NOW® Blood Pressure Health, MegaNatural®-BP™ contains flavonoids that can support healthy arterial function already within the healthy range through a number of mechanisms. In fact, these studies suggest that MegaNatural®-BP™ can help maintain blood pressure already within the healthy range. In addition, NOW has included standardized Hawthorn Extract as a synergist. Hawthorn Extract provides powerful antioxidant flavonoids, including standardized Vitein that, along with other

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® 1 to 2 times daily. Consider taking this product in combination with NOW® CoQ10, Pycnogenol® and Tru-C BioComplex™.
