Grapefruit Pectin is a natural substance derived from the pulp and peel of the grapefruit. It is an excellent source of water-soluble fiber that has a gel-forming effect when mixed with water. Its name is derived from the Greek word "pectos", which means solidified or gelatinated. As a dietary fiber, Grapefruit Pectin supports good intestinal health.\*

**SUGGESTED USAGE:** As a dietary supplement, take 1 to 2 Vcaps® 2 to 3 times daily, preferably with food. Consider taking this product in combination with NOW® Sytrinol®, CoQ10 and Hawthorn Extract.
