V-STATIN™

120 Capsules

Dietary Supplement

V-Statin is an extract from a natural occurring plant called Convolvulus arvensis (also called bindweed). The group of proteoglycan molecules (PGMs) isolated from this plant has been shown to have anti-angiogenesis properties. This means that it restricts new blood vessel growth.

Caution: Not intended for children and pregnant or nursing women. If you are recovering from recent surgery, or have a heart or circulatory condition, seek the advice of a Health Care Professional before using this product.
