Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive.

*This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

A natural source of Vitamin C and a synergist.*

Vitamin C is perhaps the most popular vitamin known to man. It is consumed in a supplemental form by millions of people across the world for its antioxidant properties, which are well-documented in medical research. C-500 provides a potent dosage of this key vitamin and is blended with Rose Hips, a

SUGGESTED USAGE: As a dietary supplement, take 1 tablet 1 to 3 times daily, preferably with meals.
