Caution: Those with blood coagulation disorders or those currently taking any anti-coagulant (blood-thinning) medications, please consult a health practitioner prior to use.

* blood clotting factors within a normal range.*

Nattokinase is an enzyme isolated from Natto, a traditional Japanese fermented soy food. Natto has been consumed safely for thousands of years for its numerous health benefits. More recently, both clinical and non-clinical studies have demonstrated that Nattokinase supports heart health and promotes healthy circulation. Each serving of NOW® Nattokinase provides 2000 FU (Fibrinolytic Units) to help keep already healthy levels of

Tru-E BioComplex™ and Fish or Flax Oil.

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® 1 to 2 times daily on an empty stomach. Consider taking this product in combination with NOW® Pycnogenol®,

Nattokinase
