Do Not Eat Freshness Packet. Keep in Bottle.

NOW Foods developed the glucosamine test method chosen as the official AOACI industry standard method.

*** These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

Glucosamine is an essential substrate for the formation of glycoaminogly-

cans (GAG's) and proteoglycans, which are the main components of car-

tilage tissue. GAG's and proteoglycans trap and hold water, forming a

dense fluid cushion within the joint and thus, provide lubrication and shock

absorption.* This unique product is suitable for vegetarians, because it

contains Glucosamine from a vegetarian source and not from shellfish.

SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® 1 to 2 times daily with meals or on an empty stomach. Consider taking these other NOW® products: MSM, Hyaluronic Acid and D-Flame™.
