REDLINE[®] LEMONADE

ARTIFICIALLY FLAVORED

EACH BOTTLE CONTAINS 2 SERVINGS

A normal reaction to Redline Xtreme is tingling of skin. Redline Xtreme contains no Nicotine.

RECOMMENDED USE: Shake well. Always begin use with one-quarter bottle (2 Ounces) of REDLINE[®] daily to assess tolerance. Never exceed more than 4 ounces per serving or more than one bottle daily. Use the gauge on the bottle to find your ideal dose.

WARNING: DO NOT USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING OR CONTEMPLATING BECOMING PREGNANT. Do not use if you have high blood pressure or heart problems. Consult a physician or licensed qualified health care professional before using this product if you have, or have a family history of heart disease, thyroid disease, diabetes, high blood pressure, depression or other psychiatric condition, glaucoma, difficulty in urinating, prostate enlargement, or seizure disorder, or if you are using a monoamine oxidase inhibitor (MAOI) or any other dietary supplement, prescription drug, including but not limited to anti-depressants or birth control pills, or over-the-counter drug containing ephedrine, pseudoephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold, and weight control products). Use only as directed. Do not exceed recommended serving. Exceeding recommended serving may cause adverse health effects. Discontinue use two weeks prior to surgery. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Individuals who are sensitive to the effects of caffeine or have a medical condition should consult a licensed health care professional before consuming this product. Do not use this product if you are more than 15 pounds over weight. The consumer assumes total liability if this product is used in a manner inconsistent with label guidelines. Do not use for weight reduction. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat. Not recommended for use by children under 18 years of age. One serving of REDLINE XTREME[®] provides 158 mg of caffeine which is less than two cups of coffee. KEEP OUT OF REACH OF CHILDREN.
