RISE FROM THE ASHES

"Ronnie, how do you grow with sleeping so little?" This is a question I've heard many times over the course of my career. I go to sleep at awkward times and get minimal hours of rest. So how did I grow for all those years? Well my friends the answer is simple - I sleep HARD real HARD. That's right, the deeper you sleep the less you need. That's why I created RESURRECT-P.M.™

It's a unique combination of ingredients that I have taken over the years and then some. Wake up feeling refreshed and revived, knowing your body went to work all night in deep R.E.M. sleep promoting optimal levels of testosterone and an anabolic growth environment, all the while speeding up the recovery process.
