

WARNING

Do not exceed one purple tablet and one yellow capsule in any 4-hour period. Do not exceed 3 purple tablets and 3 yellow capsules in any 24-hour period. This product contains a significantly potent xanthine (stimulants) mixture, of approximately 300 mg per serving. Consult a physician or licensed qualified health-care professional before using this product if you have, or have a family history of, the following conditions: high blood pressure, cardiovascular disease, thyroid disease, seizure disorder, diabetes, recurrent headaches, depression or other psychiatric condition. Read the label and follow directions. Discontinue use and call a physician or licensed health-care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Consumption in excess of the recommended servings, or consumption of a serving at a more frequent interval than recommended, may cause serious adverse health effects.

NOTE: Limit the use of caffeine-containing medications, food or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness and occasionally, rapid heart beat. For additional information on this or any other Generix Labs product, please call our experienced customer service representatives at: 1-800-901-5527.

Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing. **Keep out of reach of children. Use only as directed.**

Use in conjunction with any sensible diet and exercise program. Individual results will vary. If you or your health-care provider have any questions, please call: 1-800-901-5527.

Our 100% satisfaction guarantee: Because no product or program will work for everyone, BiphedAdrene™ is backed by our 100% money back guarantee. For details regarding our guarantee, please visit www.Biphed.com or call customer service at: 1-800-898-5153.
