

Modified Citrus Pectin

SUPPORTS HEALTHY DETOXIFICATION

100% Pure Powder

• **Healthy Cell Growth
and Reproduction***

Net Wt. 1 lb. (454 g)

A Dietary Supplement
Vegetarian/Vegan

SUGGESTED USAGE: As a dietary supplement, take 1 heaping teaspoon (5 g) 3 times daily with warm water or juice, or as directed by your health care practitioner. For maintenance use, take 1 heaping teaspoon once a day. Consider taking these other NOW® products: Detox Support™, Chlorella and Alpha Lipic Acid. Drink plenty of purified water.

NOW® Modified Citrus Pectin (MCP) contains a patented, low molecular weight citrus pectin that can pass through the intestinal barrier so it can work systemically. MCP can bind to and facilitate excretion of low levels of heavy metals that commonly come from mild environmental exposure. A recent study indicates that modified citrus pectin promotes healthy urinary excretion of common, mild environmental exposures of heavy metals such as mercury, arsenic, cadmium, lead and tin without altering excretion of other nutritional minerals, including calcium, magnesium, iron, copper and selenium. In addition, MCP has been shown to support healthy cellular growth and reproduction.*

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Supplement Facts

Serving Size 1 Heaping Teaspoon (5 g)
Servings Per Container 90

	Amount Per Serving	% Daily Value
