CODE 0770 V4

Buffered C-Complex Powder

ANTIOXIDANT PROTECTION*

with Bioflavonoids,
Rose Hips & Acerola
Net Wt. 8 oz. (227 g)

A Dietary Supplement
Vegetarian/Vegan

SUGGESTED USAGE: As a dietary supplement, take 1/4 teaspoon (slightly rounded) 1 to 4 times daily. Mix into orange juice or other strong tasting juice to mask the taste. Consider taking these other NOW® products: Alpha Lipolic Acid and Advanced Gamma E Complex.

Vitamin C is a water soluble nutrient well known for its vital role in the immune system. Vitamin C is also necessary for the production of collagen (a structural protein in connective tissue) and is therefore important for skin, bone, and joint health. Vitamin C is needed for amino acid metabolism, hormone synthesis, and the utilization of many nutrients, such as folic acid and iron. It is also a highly effective antioxidant that can protect the body's cells and molecules from damage by free radicals and reactive oxygen molecules generated during normal metabolism and exposure to environmental stressors. This product supplies Calcium Ascorbate, a buffered form of Vitamin C that is bioavailable and non-acidic; it is enhanced with Bioflavonoids, which work synergistically to support Vitamin C utilization.*

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Natural color variations may occur in this product.

Supplement Facts

Serving Size 1/4 Teaspoon (slightly rounded) (1129 mg)
