WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.**Warnings:** The treatment of any anemic condition should be under the advice and supervision of a doctor. Occasional gastrointestinal discomfort (such as nausea) may be minimized by taking with meals. Iron-containing medication may occasionally cause constipation or diarrhea.**Drug Interaction Precaution:** Since oral iron products interfere with absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other.

Free of sugar, sodium, gluten, preservatives, yeast, milk, artificial flavors.

Store at 20°-25°C (68°-77°F).

Do not expose to excessive heat or moisture.
