Coenzyme Q10 is a vitamin-like compound also called ubiquinone. It is an essential component of cells and is necessary for mitochondrial energy production. Years of research have shown that CoQ10 supports healthy cardiovascular and immune system functions in addition to its vital role in energy production.*

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 1 to 2 times daily, preferably with food. We highly recommend taking this product with a source of essential fatty acids such as NOW® Flax Oil, Evening Primrose Oil, Borage Oil or Omega-3 Fish Oil.

Not manufactured with wheat, gluten, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens. NOW® CoQ10 is Pharmaceutical Grade. NOW CoQ10 products contain only the natural, all-trans form of CoQ10 produced by fermentation. Contains no titanium dioxide. Separation and color variation in the softgel may occur. This is natural and doesn't affect product quality.

This product has more CoQ10 (600 mg per softgel) than our regular strength product (50 mg per softgel).
