Manufactured by NOW FOODS, 395 S. Glen Ellyn Rd.
Bloomingdale, IL 60108 Made in the U.S.A. www.nowfoods.com

SUGGESTED USAGE: As a dietary supplement, take 1/2 level teaspoon daily, preferably with a meal. For best results, blend into "pulpy" type juices such as tomato or orange juice. Consider taking this product in combination with these NOW® products: Magnesium, Vitamin D and Zinc.

NOW® Calcium Carbonate is a basic calcium supplement that contains one of the highest concentrations of elemental calcium (about 40%), making it an optimal formulation for supporting healthy bones and teeth.*

NOW® has been selling powdered supplements since 1968 because of their distinct advantages. The powdered form is 100% pure, and free of fillers and preservatives, much lower in cost, easy to digest and can be taken in desired potencies. Powdered vitamins and minerals are truly the best way to take supplements.
