health through its participation in healthy bone calcification.*

Calcium and Magnesium are minerals that are known to be essential for bone health. Along with these two important minerals, NOW® Cal-Mag DK Caps provide Vitamins D and K. Vitamin D₃, a fat soluble vitamin, has been shown to play a critical role in bone metabolism, as well as in the absorption of Calcium and Magnesium in the intestine. Vitamin K₂ is a nutrient that further supports bone

SUGGESTED USAGE: As a dietary supplement, take 6 capsules daily in divided doses, preferably with food. Consider taking these other NOW® products: Boron, Zinc and IpriLavone.

Cal-Mag DK

SUPPORTS BONE HEALTH
