

CODE 1269 V4

SUGGESTED USAGE: Shake well. As a dietary supplement, take 1 tablespoon 1 to 2 times daily. Can be taken undiluted, or mixed with water or juice. Not for pet use. Consider taking this product in combination with NOW® OsteoBoron™ and Zinc.

SHAKE VIGOROUSLY BEFORE USE.

REFRIGERATE AFTER OPENING TO PRESERVE FLAVOR.

Calcium is an important mineral best known for its role in the formation of bone and teeth. Magnesium is another key mineral that plays a complementary role in bone formation. In addition, Boron and Vitamin D have been included in this product because they play an essential role in bone metabolism.

Calcium also serves as an integral cofactor in numerous biochemical reactions and Magnesium is known to be involved in more than 300 metabolic reactions. In addition, Magnesium and Calcium work together in several physiological systems, providing support for the maintenance of healthy cardiovascular function as well as for healthy muscle function.*

Note: This is a thick liquid due to the concentrated levels of the superior Calcium and Magnesium Citrate forms.
