NOW® Coral Calcium Plus contains an alkaline form of Calcium that can help to support a healthy serum pH. In addition, Coral Calcium has a number of naturally occurring trace minerals that are important for bone health, as well as for optimal enzymatic activity. NOW® Coral Calcium is not harvested from living coral reefs or even from the ocean environment, but from above-ground sources in an ecologically friendly manner. In this Coral Calcium Plus formula, Magnesium and Vitamin D have been added because of their essential role in bone metabolism.*

SUGGESTED USAGE: As a dietary supplement, take 2 capsules daily, preferably before meals with water. Consider taking these other NOW® products: Vitamin K-2 and Zinc.

Coral Calcium Plus

HEALTHY PH BALANCE

- Important for Bone Health
- Magnesium & Vitamin D for Bone Metabolism*

100 Veg Capsules

A Dietary Supplement
