

CODE 3240

V2

Made in the U.S.A. Visit us at www.nowfoods.com

Manufactured by NOW FOODS, BLOOMINGDALE, IL 600108

CAUTION: ALWAYS DILUTE FIRST.
SUGGESTED USAGE: Recommended dilution for internal use is 1-4 drops in an 8 oz. glass of water. Use sparingly and avoid contact with eyes.

Grapefruit

COMPLEX LIQUID

- Full Strength
- Derived from Grapefruit Bioflavonoids

Net 1 fl. oz. (30 mL)

INGREDIENTS: Grapefruit Quaternary Complex (converted from grapefruit bioflavonoids) and Vegetable Glycerin.

Grapefruit Complex is a biologically active liquid complex converted from the bioflavonoids of grapefruit seeds and pulp. It is combined with vegetable glycerin and contains no alcohol or solvents.

To help repopulate beneficial bacteria after use, we recommend taking NOW® Gr8-Dophilus™ or any other NOW® Acidophilus product.

Warning: Avoid contact with eyes. Do not use full strength in mouth, ears, nose or other sensitive areas. May cause irritation if used at full strength on skin. Keep out of reach of children.

Store in a cool, dry place. Please Recycle.
