OsteoBoron® is a patented natural complex of Boron identical to Boron complexes found in fruit, vegetables, and nuts. It is also safer and more bioavailable than other forms of Boron. Boron is an important trace mineral for bone and joint health throughout life, as well as for the development and maintenance of healthy bone density. OsteoBoron® is a superior form of Boron that has been the subject of clinical studies demonstrating its efficacy in the support of healthy joints.*

SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® 1 to 2 times daily, preferably with food. Consider taking these other NOW® products: Calcium/Magnesium, Vitamin D and Vitamin K.
