*This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Individuals with immune disorders should consult with a health practitioner before using this product.

plants:

Ipriflavone, 7-isopropoxy-isoflavone, was synthesized in the late 1960s. Though produced synthetically today, it is a naturally occurring isoflavone and belongs to a group of compounds called bioflavonoids, which are found abundantly in

SUGGESTED USAGE: As a dietary supplement, take 2 capsules daily, preferably with food. We recommend supplementing our Ipriflavone with NOW® Bone Calcium Tablets.
