CODE 3251B V6

Store in a cool, dry place after opening.
Please Recycle.
Made in the USA

SUGGESTED USAGE: As a dietary supplement, take 1 softgel daily with a fat-containing meal. Consider taking these other NOW® products: GLISODINE® and Alpha Lipolic Acid.

Astaxanthin is a naturally occurring carotenoid that, because of its unique structure, provides a wide range of antioxidant benefits. Because Astaxanthin is able to cross the blood-brain and blood-retina barriers, it can deliver potent antioxidant protection directly to the eye, brain, and nervous system. Zanthin® Astaxanthin has been patented for its ability to support retinal and overall ocular health. Scientific studies have also demonstrated that Astaxanthin can help to support a healthy inflammatory response.*

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
Do Not Eat Freshness Packet. Keep in Bottle.

Astaxanthin

SUPPORTS EYE HEALTH
