

## RECOMMENDATIONS:

Take 2 capsules 5 times daily for 2 days at onset. Repeat for 2 days if necessary or as directed by your health care provider.

*Not to be used during pregnancy or lactation without consulting your healthcare provider prior to use. Keep away from children. Use only as directed on label. Safety sealed for your protection. Keep bottle capped at all times and store in a cool dry place. Natural separation may occur. This does not affect product quality.*
