

SAFSLIM ON-THE-GO™ MAKES IT MORE CONVENIENT TO STAY ON TRACK WITH YOUR BELLY FAT REDUCTION!*

SafSlim On-the-Go™ is a revolutionary, scientific breakthrough that specifically reduces belly fat. Its main ingredient is high-linoleic safflower oil. Major university studies conducted on post-menopausal women who had high blood sugar and wanted to lose weight showed they had an average reduction of 6.3% belly fat and an average of 20.3% increase in the important belly fat hormone adiponectin*.

SafSlim On-the-Go is the convenient, condensed version of the original SafSlim formula, designed to help you maintain your daily SafSlim Belly Fat Reduction regimen while you're away from home.

* Use in conjunction with reduced-calorie diet and exercise program

KEY FEATURES

- ▶ Clinically studied ingredient*
