SUGGESTED USAGE: As a dietary supplement, take 2 capsules 3 times daily or as directed by your health care practitioner.

HOW IT WORKS: L-Arginine is a conditionally essential basic amino acid involved in urea metabolism and excretion as well as DNA synthesis in support of metabolic detoxification.*

CAUTIONS/INTERACTIONS: Arginine may interact with antihypertensive medications, sildenafil and nitrates. Arginine may also affect blood sugar levels. If you are taking any of these medications or if you are diabetic, consult your healthcare practitioner before using this product. For more information on this product go to www.protocolforlife.com/P0030.

Formulated by doctors and clinical scientists exclusively for licensed healthcare practitioners. Manufactured in an A-rated Good Manufacturing (GMP) Certified facility.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
