Due to the natural variation in shark cartilage, color, texture, or taste may vary but the same high quality is guaranteed.

NOW® Shark Cartilage is derived from 100% pure freeze dried backbone of sharks and has naturally occurring chondroitin and glycosaminoglycans (GAGs). Our powder is thoroughly tested for important shark components and contains no solvents, bleaches, or chemical processing agents. The sharks harvested are also used for food purposes.

Joint Support™.

SUGGESTED USAGE: As a dietary supplement, take 6 capsules 1 to 2 times daily. Consider taking these other NOW® products: AHCC® and

750 mg Shark Cartilage
