SUGGESTED USAGE: As a dietary supplement, take 1 softgel daily with a fat containing meal, or as directed by your healthcare practitioner.

HOW IT WORKS: Vitamin D enhances the uptake of calcium from the diet, is necessary for bone and dental health, regulates healthy immune activity and supports healthy cell division.* Recent research indicates that Vitamin D also may play an important role in supporting cardiovascular health.*

CAUTIONS/INTERACTIONS: Although the Upper Limit for Vitamin D is 2,000 IU per day, comprehensive research demonstrates that higher dosages are safe. However, this product should be taken under the supervision of a healthcare professional. Vitamin D should be used cautiously by those taking cardiac glycosides and anyone with hypercalcemia. For more information on this product go to www.protocolforlife.com/P0365.
