

SUGGESTED USAGE: Shake well. As a dietary supplement, take 2 drops daily, or as directed by a healthcare practitioner. Take directly or add to a beverage. Best taken with a fat-containing meal.

HOW IT WORKS: Vitamin D enhances the uptake of calcium from the diet, is necessary for bone and dental health, regulates healthy immune activity and supports healthy cell division.* Recent research indicates that Vitamin D also may play an important role in supporting cardiovascular health.*

CAUTIONS/INTERACTIONS: Consult your healthcare practitioner if you are taking cardiac glycosides or if you have hypercalcemia. For more information on this product go to www.protocolforlife.com/P0371

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
