Neptune Krill Oil is manufactured under strict quality control standards. It is tested to be free of potentially harmful levels of contaminants (i.e. mercury, heavy metals, PCB's, dioxins, and other contaminants).

Neptune Krill Oil (NKO®) is known for its unique fatty acid (FA) profile, as well as for its antioxidant content. NKO's balanced fatty acid content includes not only EPA and DHA, the crucial Omega-3 FA's, but Omega-9 FA's and phospholipids, as well. NKO provides Astaxanthin, a powerful immune-supporting antioxidant. Clinical studies have shown that NKO can support joint comfort, healthy blood lipid levels, and may reduce symptoms of pre-menstrual syndrome.*

SUGGESTED USAGE: As a dietary supplement, take 2 softgels daily with breakfast. Consider taking these other NOW® products: CoQ10, Tru-E BioComplex™ and Phosphatidyl Serine.
