

FEEL ENERGIZED™

MethoxyBurn™ contains a matrix of energy enhancers that are second to none, in a weight-to-weight ratio designed to provide maximum effectiveness and metabolic benefit.*

LOSE WEIGHT™

The metabolic rate enhancers in MethoxyBurn™ are paired with high-grade phytochemical extracts designed to act along the principle pathways influencing weight management-including cyclic-AMP modulation, CNS modulation, and thyroid modulation.*

APPETITE CONTROL™

For maximum effectiveness and metabolic benefit, the metabolic rate enhancers and complementary constituent compounds are designed to act along the pathways principally responsible for controlling appetite and caloric intake.*

METHOXYBURN™

The Ultimate Feel Good Weight Loss Formula™

LOSE WEIGHT™
FEEL ENERGIZED™
APPETITE CONTROL™

"MethoxyBurn is an effective weight loss formula for energy enhancement and increased metabolic rate and function. MethoxyBurn is most **definitely** in a class by itself."

** Daily Value not established.

Other Ingredients: Gelatin, Microcrystalline Cellulose, Magnesium Stearate, FD&C Blue No. 1, Titanium Dioxide.

Suggested Use: Take one (1) capsule in the morning and one (1) capsule in the afternoon, on an empty stomach, or as directed by a qualified healthcare practitioner.

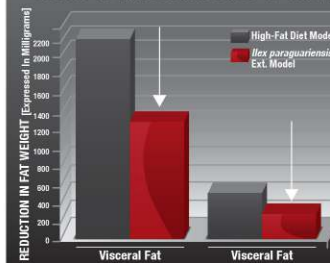

Warnings: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not take for more than eight (8) consecutive weeks. This product should not be taken by pregnant or lactating women. Not intended for use by those with a medical condition. Get the consent of a licensed physician before using this product, especially if you are taking medication, have a medical condition, or thinking about becoming pregnant. Discontinue use two weeks prior to surgery. **KEEP THIS PRODUCT AND ALL SUPPLEMENTS OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS BROKEN.**

Caffeine Warning: The recommended serving of this product contains approximately as much caffeine as two cups of coffee. Do not consume caffeine, or combine with synephrine from other sources, including but not limited to coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat. Discontinue use if you experience dizziness, severe headache, rapid heartbeat or shortness of breath.

Caution: Methoxyburn contains the B vitamin niacin. Niacin may cause temporary flushing, tingling, skin reddening, and sensations of heat, especially if taken on an empty stomach. This is a natural and harmless reaction.

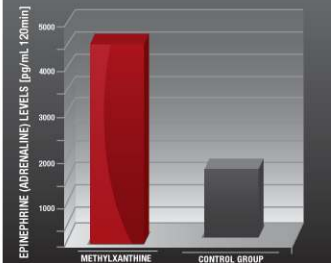

Promotes Weight Loss, Appetite Control, Enhanced Mood and Energy.*

SHOWN TO REDUCE FAT BY UP TO 41.3%*
