Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

SUGGESTED USAGE: Shake plastic vial before using. Snap top off of vial and squeeze liquid contents into mouth and swallow. Take 1 vial daily, preferably in the morning or as directed by your healthcare practitioner. Please recycle plastic vial.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Contains Xylitol, do not feed to pets.

Nutri-Dose™ B-12 10,000 mcg *Energy Boost**

B Vitamins are essential components in most major metabolic reactions as they play an important role in energy production, including the metabolism of lipids, carbohydrates, and proteins. Vitamin B₁₂ facilitates energy production and is required for nucleic acid (DNA) synthesis, methionine synthesis from cysteine, and normal myelin synthesis in the nervous system. Along with vitamin B₆ and folic acid, adequate levels of vitamin B₁₂ are required to maintain healthy plasma homocysteine levels.*

The elderly and strict vegetarians are often at risk for Vitamin B₁₂ deficiency, either due to low dietary intake or decreased absorption. B₁₂ 10,000 mcg Nutri-Dose™ is a convenient and palatable liquid formulation that is absorbed quickly by the body, delivering rapid, energizing nutrition.*

For more information on this product go to www.protocolforlife.com/P0453.

Formulated by doctors and clinical scientists exclusively for licensed health care practitioners.
