Chelavite® is a registered trademark of Albion Labs.; Super CitriMax® is a registered trademark of Inter Health Nutraceuticals Inc.; ForsLean® is a registered trademark of Sabinsa Corporation. U.S. Patent # 5,804,596. Carnipure™ offers purest L-Carnitine and is a trademark of Lonza Ltd, Switzerland.

Caution: For adult use only. Do not exceed recommended dose. Consult a physician prior to using this product if you are pregnant/nursing, taking medication, or have a medical condition. Discontinue use two weeks prior to surgery. Contains caffeine. Do not use in combination with other caffeinated products. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 1 to 2 capsules twice daily.

NOW® Diet Support features ForsLean®, a patented ingredient derived from the herb *Coleus forskohlii*, and Super CitriMax®, a proprietary (-)-hydroxyacid (HCA) extract naturally derived from the *Garcinia cambogia* fruit. Both of these ingredients have been shown to promote healthy fat utilization, especially when combined with a balanced diet and exercise program. Carnipure™ L-Carnitine was added to the formula as an amino acid that facilitates the transfer of fats into the mitochondrial membrane for use in cellular energy production. To complete the formula, NOW® Diet Support has included B vitamins, Iodine, and Chromium as nutritional metabolic support and Green Tea Extract to support cellular thermogenesis.*
