Goji berries grow in the pristine, nutrient-rich soil, high atop the Himalayan mountains and surrounding areas. For over a thousand years, Goji berries have been prized for their unique anti-aging and other health benefits. They might be the richest source of polysaccharides, carotenoids, glyconutrients, and other important phytonutrient compounds in the world.*

Earth's Bounty 100% Pure Goji starts with fresh Goji using only the valuable fruit and never the pit or seeds. From Mother Nature to you...
