Red Yeast Rice is a natural product that's been used in Asian traditional herbal systems for centuries. It is produced by the fermentation of red yeast (*Monascus purpureus*) with white rice. The Red Yeast Rice in NOW® Red Omega™ is carefully produced to avoid the presence of citrinin, a sometimes toxic by-product of the fermentation process. This product is further enhanced with the addition of CoQ10 and Omega-3 rich Fish Oil to support healthy cardiovascular function.*

SUGGESTED USAGE: As a dietary supplement, take 2 softgels 2 times daily with food (totaling 4 per day). Consider taking this product in combination with NOW® Sytrinol®, Pantethine and Silymarin (Milk Thistle Extract).
