Pomeratrol™'s combination of antioxidant power and cellular protection thus provides strong support against abnormal cell growth, as well as against the effects of aging.*

Pomegranate has been shown to contain a number of powerful antioxidant compounds including polyphenolics and anthocyanidins. Pomegranate is especially high in Punicosides, which have been shown to support healthy cellular function. NOW® Pomeratrol™ contains Pomegranate Extract, standardized to 80% Polyphenols and 40% Punicosides. In addition, Pomeratrol™ contains Trans-Resveratrol, another potent antioxidant that helps to protect cells against DNA damage and helps to sustain healthy cell cycles. NOW®

Pomeratrol™'s combination of antioxidant power and cellular protection thus provides strong support against abnormal cell growth, as well as against the effects of aging.*

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® 1 to 3 times daily, preferably with meals. Consider taking this product in combination with NOW® Enzogenol®, Tru-E BioComplex™ and Super Antioxidants.
