Caution: If you are pregnant/lactating, taking any medications, or planning any medical procedure, please consult your healthcare practitioner before using. Keep out of reach of children.

Store in a cool, dry place. Please Recycle.

Do Not Eat Freshness Packet. Keep in Bottle.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 1 to 2 times daily, preferably with meals. Consider taking this product in combination with NOW® Omega-3 Fish or Flax Oil and Tru-E BioComplex™. Borage Oil is a nutritional oil rich in polyunsaturated fats. Linoleic Acid and Gamma Linolenic Acid (GLA) are enhanced essential fatty acids. Although the body can manufacture GLA from dietary linoleic acid, it can be more efficiently utilized for body functions when supplied directly by dietary sources. Borage Oil is a more concentrated source of GLA than Evening Primrose Oil (EPO). One Borage Oil softgel is equivalent to about 5 standard EPO softgels in GLA content.

Borage Oil

HIGHEST GLA CONCENTRATION

1000 mg

- Expeller Pressed, Hexane-Free
- Rich in Omega-6 Fatty Acids
- 240 mg of GLA
